

The Scott Hammond Education-for-Employment Endowed Scholarship 2012

This \$500 scholarship was established in memory of the long-time staff member of Information & Technology Systems at Portage Public Schools.

The scholarship is for a graduating senior from Portage Central or Portage Northern who participated in the Kalamazoo Regional Educational Service Agency's Education-for-Employment program, with plans to pursue a technology-related field of study.

This will be the fourth year of this scholarship: Previous recipients were Kelsey Linn, Clayton MacRitchie, and Mitchell Woolley.

The scholarship is awarded through the Kalamazoo RESA Education-for-Employment Outstanding Senior Awards Program, initiated by an EFE teacher nomination.
